

MOODERIAN

1951

GREETINGS

You have been selected by LOCAL DRAFT BOARD NO. 1951 to report for duty to HEADQUARTERS, CANTON SOUTH where you will join units already in service . . .

G.S.

MODERIAN STAFF

Our theme—Life with the Army—was inspired by the striking and humorous resemblance of school life to that of the military forces. The timid Seventh Graders seems so much like a recruit lost in the vastness of organized red tape, gradually abandoning himself to a life of training and adjustment which somehow brings orderliness out of the confusion. We have tried a completely different approach in this 1951 Moderian in attempting to show the progression from recruit to veteran Senior. It is our sincere hope that you will enjoy your reading as we did the making of this annual.

Tests and shots at every turn!
Woe is us—what a lot to learn!

Coming from many different schools, the 220 seventh graders had the problem of becoming acquainted and getting used to being part of a high school. Members of the class are in Student Council, Junior Police and other organizations. To raise money, they have collected tax stamps and paid dues. A party was held in the Spring. Class officers were Billy Strobel, President; Howard Jolliff, Vice-President; Linda Syler, Secretary; and Phyllis Kindigh, Treasurer.

Can these poor feet take any more?

With the experience of the past year we expect to make our Sophomore year even better. Our class officers are: President, Dewey Maurer; Vice-President, Dale Snider; Secretary, Edwin Edwards; and Treasurer, Art Hanze.

What could be more restful than a nice quiet cruise on a yacht? That's what Mrs. Mercer thought when she signed up her son and daughter, Adam and Eve, for the trip on the well-to-do Captain Von Eldo's ship, She, of course, went along because the Captain held a rather special interest for her. What started out to be a peaceful vacation turned into a state of mad confusion when Adam dressed as Eve, and Eve as Adam, to win the heart of Carolyn and Toby Wellman. Naturally, in due time things simmered down and Adam got Carolyn, Eve got Toby, and Mrs. Mercer won the affections of Captain Von Eldo.

COACHES

Coach Charles "Red" Ash has completed his tenth year as head football and basketball coach at South High. After guiding the football team to a 6-2-1 record, he piloted the basketball team to a commendable 10-4 record. These figures are ample proof of his successful athletic season at South High.

Coach Ed Welker is in his second year as assistant football coach and mentor of Freshman Basketball.

Dale Haverstock is coach of Freshman Football and Jr. High Basketball. He is also football scout.

This is Mr. Weiss' second year as faculty manager. He is the one who schedules the games, hires the officials, and handles the finances. We salute you, Mr. Weiss, for a job well done again this year.

Faced with the possibility of only 2 returning regulars, Coach Ash, after a slow start, quickly molded a five which finished regular season play with the best record in the county. Paced by veteran All County center Jay Bungard, they compiled a formidable 10-4 record. Our season record rated us a seeded

position in the tournament, but again dreams for a State title were wiped from our eyes when we were beaten by Alliance in our first game at the new Memorial Field House. Although next year's squad must make up for experience with courage, we still have hopes for a winning season and tournament victories next year.

The activities that helped fill our treasury were our four skating parties, our paper drive, and the collecting of tax stamps. The biggest thrill we had was the ordering of our class rings. INTELLIGENCE

HONOR SOCIETY OFFICERS: F. Graham, J. Roshong, T. McDonald, N. Babik.

The four principles of the National Honor Society—Scholarship, Leadership, Character, and Service—are guides to membership in the Canton South chapter. This year we had fifteen members carried over from last year, and at our induction service on March 2, 1951, we initiated one senior and seven juniors to rep-

resent our Honor Society for the coming year. Each student must meet the qualifications of the four principles before he is considered for membership. Our goal is high, but by following our motto, TRUTH IS LIGHT, we can achieve it.

Seems like yesterday that we got our first glimpse of Canton South as shy and lost seventh-graders. Our Class President, Dan Griffiths, got us off to a good start. We began selling Christmas and everyday cards. Also made a little on the paper drive. Climaxed the year under our sponsors, Mrs. Watkins and Mr. Goerke, with a picnic.

Our eighth grade was both a happy and a sad one. One of our well-liked classmates, Lucille Deckerd, passed away. We sold cards and collected tax stamps for a total sum of \$236.07 to start our high school days. Keep this up and we'll be millionaires! Our President was David Garrison.

our Freshman Attendant for the Football Queen. Finished a successful year with a semi-formal dance.

Sophomores—Began by electing our new President, George Skipper. Sponsored four well-attended skating parties. Started a new activity at South—a Rodeo—lots of fun, eats, and dancing. . . Also nice profit. Big event of the year was ordering our class rings. Still selling cards for a fatter treasury. Our fun of the year came with the picnic held at Ink Park. Our sponsors: Mrs. Watkins and Mr. Goerke.

Our Junior year was a big one for everyone. Early in October we received our class rings. Next came our first class play, "Beginners Luck" which was a great success. We held a semi-formal dance for outsiders. Had contest for selling cards—and making money. Held a big picnic which was lots of fun 'till we got chased out by the rain. Now the big event of our life—Our Jr.-Sr. Prom. Our queen, Frances

Graham, and her court really added to the theme, "Stairway To The Stars." It was quite a finish for our Junior year giving us something to look forward to next year.

Now at last—we're Seniors. Some glad, others sorry. We still have our faithful President, George Skipper, and our Sponsors: Mrs. Watkins, and Mr. Goerke who saw it through with us for six long years. Don't know how they stood it. Still raising money by selling cards, collecting stamps, and sponsoring our third annual Rodeo. We also had our Magazine Contest between the boys and the girls. Of course the girls won, and the boys treated them with a party. Our Sr. Class Play, "January Thaw" really made a big hit. Out of class dues came a wonderful Senior Banquet. Thanks, Juniors, for the swell Prom. The time is drawing nearer—class pictures, announcements, name cards, caps and gowns, class picnic, baccalaureate and finally, Commencement. Now alumni. We'll never forget our wonderful days spent at our Alma-Mater—CANTON SOUTH.

Junior Class Play — "Beginner's Luck"

"Local girls make good in New York"—Birdie Brown, editor. Four smalltown girls come to New York seeking a career. The potential actress, singer, artist, and novelist are found by professionals in their respective fields and, after considerable confusion, bring fame to their small hometown.

SEATED: S. Graham, J. Kitzmiller, N. Babik, C. Ferren.
STANDING: D. Garrison, M. Burgy, M. Stine, G. Skipper, T. Pyles, J. McLean,
J. Polen, L. Worthington, T. McDonald, D. Sponseller, E. Barr.

Senior Class Play — "January Thaw"

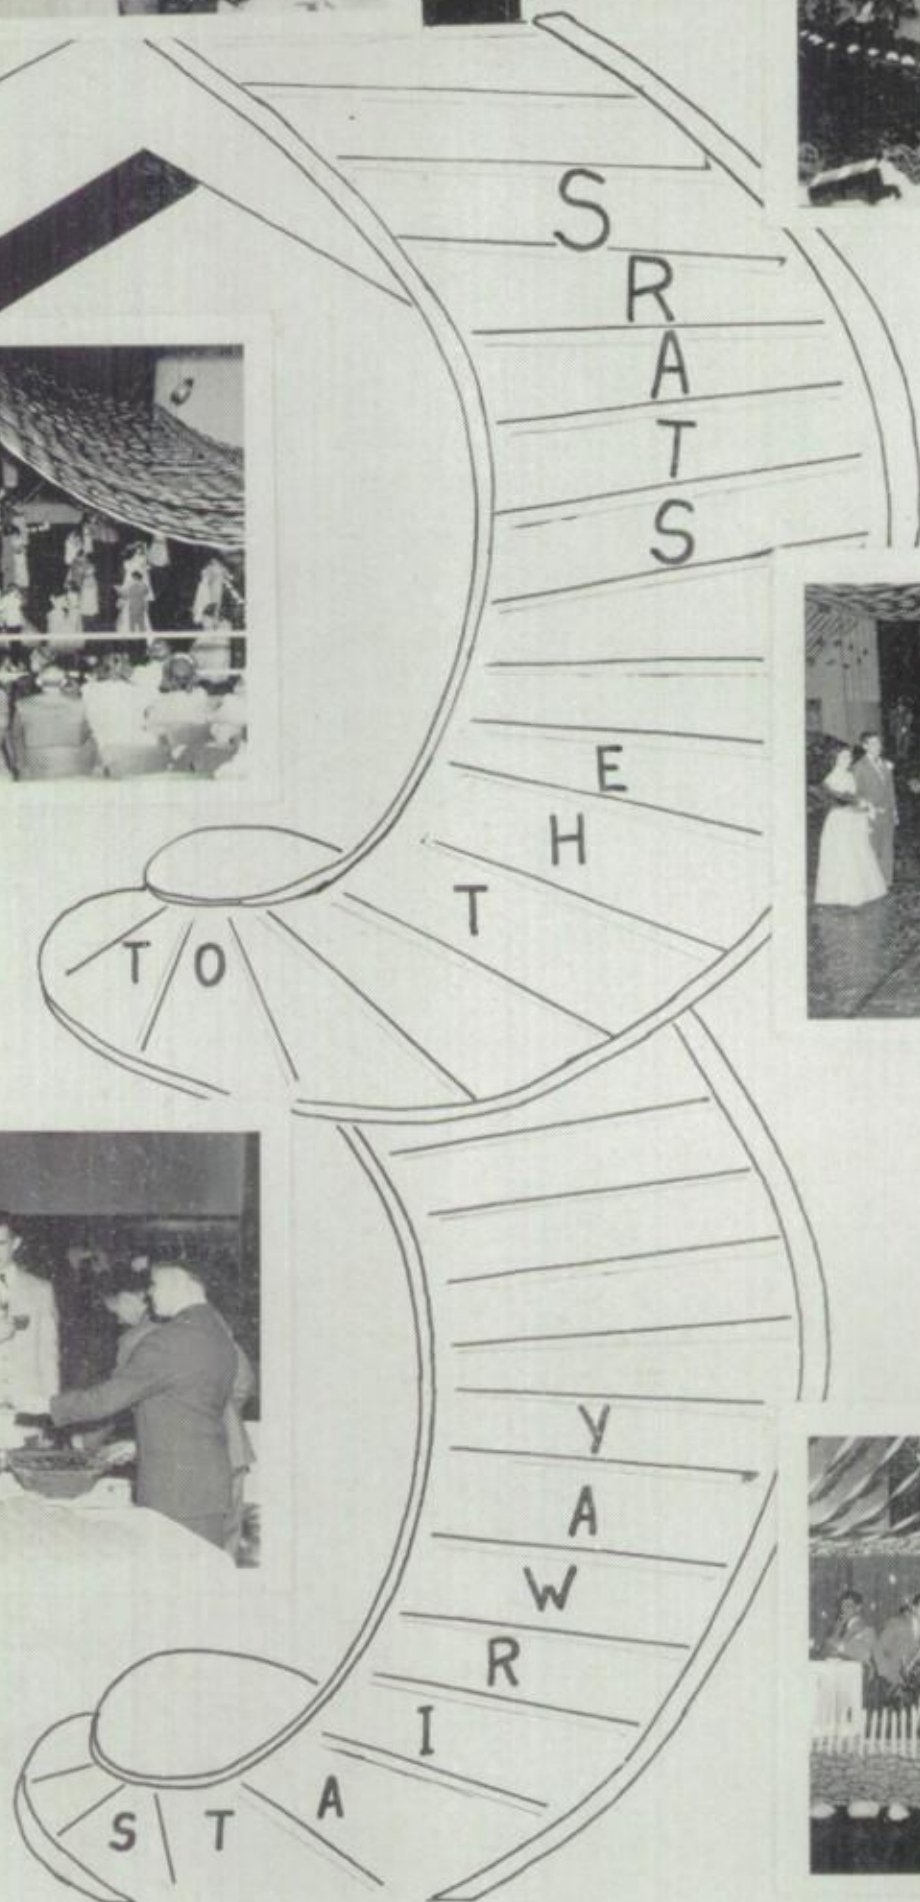

A sparkling comedy involving Ma and Pa Rockwood and their old house, and "them Democrat squatters," the Gage family, who moved in while the Rockwoods were away. Mr. Gage refused to move out and so did Pa Rockwood, making them both at swords points nearly all the way through the play. But, like most good stories, they all finally agreed to make peace and lived "happily ever after."

ROW 1: T. Pyles, L. Brumbaugh, D. Sponseller, N. Babik, M. Stine, J. Kitzmiller.
ROW 2: D. Garrison, J. Roshong, J. McLean, T. McDonald, G. Skipper, J. Polen, F. Graham.

How and What to tell a COMMUNIST

Don't look for physical differences when you try to spot a Communist. Communists are all kinds of people in all walks of life and of all races.

A Communist is anyone who believes in the Russian system of government, whereby those who govern own everything and control *all* the activities of *all* the people.

A Communist is loyal only to Soviet Russia. As a member of the Communist Party he is dedicated for life to the protection of the U.S.S.R. and to the establishment of Communism throughout the world.

A Communist will usually deny that he is a Communist. There are many Communists who are not in reality card-carrying members of the party.

But both types of Communists carry on the same

work, although the second type cannot let it be known that he is a member. His real value to the party is in indoctrinating those unsuspecting people in key positions with government agencies, schools, unions and churches with Communistic philosophies.

When a Communist goes to work on you tell him that you are on to him and his dirty game.

Tell him, further, that you think it your patriotic duty to make his activities known to others and to the police.

Tell him that you know no tactics are too low for a Communist: lying, cheating, betrayal, ruin and even murder. But be sure to tell him, too, that America is on the alert and that his scheme for world domination is doomed to failure.

Your guide to the
best in modern
automatic cookery

Wherever you may live, you too can have all the conveniences of gas. We can bring LP (Liquefied Petroleum) gas to your home—immediately. LP gas is of even higher quality than city gas, and it leaves no smudges on pots and pans. Gas has proven its superiority in food preparation. It's the fastest of all fuels, is most easily controlled, dependable and economical. LP gas will provide the exact degree of heat necessary for the particular food being cooked. It permits baking from a cold start, saving time and fuel. More than 2,000,000 women already enjoy the advantages of LP gas for cooking, and approximately a half million more will switch to LP gas within another year.
